at 1600 on Thursday 17 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing, becoming dry but cloudy overnight.

This Evening and Tonight:
Any remaining showers slowly dissipate late in the evening. Overnight cloud will thin in the west but be more persistent towards the east, where it will be another mild night. Minimum temperature 12 deg C (54 deg F).

Friday:
Bright at first but cloud will slowly increase through the morning as a band of locally heavy or thundery rain moves into the south from late morning into the afternoon. Maximum temperature 18 deg C (64 deg F).

Outlook for Saturday to Monday:
Early rain clearing on Saturday but further showers are likely. Unsettled on Sunday and Monday with thundery showers, merging at times into longer spells of locally heavy rain.
